

The Secret of Leonardo

Become Leonardo da Vinci's apprentice. Mix pigments, combine prime numbers, and discover the secrets of the workshop before the others.

-  Innovative mixing & prime number mechanics
-  Logical deduction & tactical decisions
-  Learn art and math while playing
-  Ideal for kids, families, and casual gamers.

Fun in 20-30 minutes

-  Fast-paced, dynamic games.
-  Sense of "discovering something".
-  Kind and friendly competition.

Key Data

-  Players: 2-4 (up to 8 with 2 sets)
-  Age: 8+
-  Duration: 20-30 minutes
-  Language: Independent of language.

COMMERCIAL PROFILE

- Perfect for family and school channel.
- Excellent in museums, stores, cultural and educational fairs.
- High potential for new expansions.

Advanced Modes:

"Emergency in the Workshop"

– "The Travel Journal"

-  Player boards
-  Flasks
-  Cards
-  Basic guide
-  Advanced guide
-  Teacher's guide
