NYC ARCHITECTS

1-4 players 20-40 min
10+ Language free

Build Manhattan floor by floor, spread your network, and fight to own the best skyscrapers to become the most promising architect of NYC. Every piece counts!

High interaction **Easy to learn**
Abstract-like **Fast gameplay**
**Flexible theme** **Quick to prepare**

1 board
72 cards
69 tokens

Piece placement
Area control
Action selection
Majorities

Oportunity cards

Neighborhood cards

Your pieces

HOW TO PLAY

Play tactically and spread your pieces wisely. The more you connect, the higher points you get in the short term.

But don't forget to think strategically to also score endgame majorities. You need to have the most pieces on the neighborhood cards you collected.
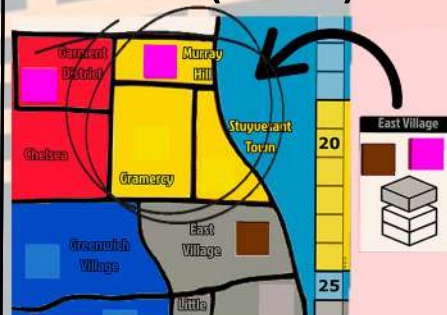

ON YOUR TURN spend 2 action points (AP) as you wish

PLACE (1 AP)

East Village

Place a piece on a card to take its action

SCORE (1 AP)

East Village

Score pieces on a card one by one

Its owner gets points

Keep that card for endgame scoring
