Invest in startups and hope for the best.

Vests is a gateway game of tense auctions and chaotic startup races. Eccentric CEOs shake up the run, while shared investments give rivals reasons to cheer together.

1. Pick a company and bid for a share

3. Roll two dice and move the company

2. Activate the founder ability

4. Play a card to alter the race

Components:

- 90 cards
- 1 board
- 75 punchboard tokens
- 6 player screens
- 8 meeples
- 8 company boards
- 2 custom dice
- 1 first player token
